Kerala has witnessed severe floods in the month of August 2018. The heavy rainfall and land slides have badly affected the infrastructure in Kerala. NABARD has offered certain flexibilities in submission and reprioritization of RIDF Projects under Tranche XXIV (2018-19) for rebuilding the damaged assets. In order to utilize the NABARD assistance effectively, the following instructions are issued.

1. The Projects already submitted for approval utilizing the initial allocation of Rs. 500 Crores to the state under Tranche RIDF XXIV could be re-prioritized by including flood rehabilitation works in place of other works.
2. The Projects approved in the earlier RIDF Tranches XXI, XXII and XXIII and which have not been started due to various reasons, could be substituted with new projects essential for the revamping of damaged infrastructure in flood affected areas.
3. Departments could submit projects for additional funding for repair of damages in the completed or ongoing projects under RIDF due to the recent floods.

The DPRs relating to the above projects, if any, shall be submitted to Finance department through Administrative department on or before 31-10-2018.
