ORDER

ASAP is an ADB funded project for providing training in basic sector specific skills, English and computer skills. Now a new course in Artificial Intelligence and Machine Learning is being started on 11/11/2018 in a self financing mode across one and half semesters using the ASAP Advanced Skill development Centres (ASDCs) in about 25 Engineering Colleges which are selected on the basis of presence of competent faculty. It is necessary that fees are collected online and digital payments are facilitated to regular and guest faculty. Hence, it was requested by ASAP for approval to start a separate bank account with Federal Bank, for collecting fees from the students of each ASDC, and to facilitate online payments.

2. Government have examined the matter in detail and are pleased to accord sanction to open an account in Federal bank, Palayam branch in the designation of Chief Executive Officer, ASAP solely for the above purpose.
