ORDER

As per Government Order read as 2nd above, various posts of Medical Officers belonging to different cadres in Health Services Department were allowed higher start of pay in the respective scales of pay by subsuming the erstwhile Common Special Allowance sanctioned vide GO read as 1st above. Vide GO read as 3rd above, Government have revised pay and allowances of State Government Employees and Teachers accepting recommendations of 10th Pay Revision Commission, wherein the existing higher start of pay has not been allowed to continue except in the entry cadre since the same being the part of basic pay of all existing incumbents who were in service prior to 01.07.2014. As the revision of pay is ordered retrospectively in the GO read as 3rd above, there are cases of nominal hike in pay less than that envisaged in 10th Pay Revision or even drop in pay in many cases due to the discontinuance of existing higher start. The Accountant General has reported his difficulty in fixation of pay by pointing out cases of drop in pay vide the letter read above. As a remedial measure Government have issued GO read 5th above; but now it has come to the notice that even the provisions therein could not effectively serve to tide over the difficulty being faced owing to the discontinuance of

higher start in pay.

As PG Degree/Diploma in the concerned speciality is a necessary requirement for placement in the Speciality Cadre and the nature of duties of Speciality Cadre doctors is entirely of clinical nature, they deserve a better consideration in the matter of Special Pay.
